

## Where's the Information?

## Brownfields Information Tools

- Extra, Extra, Read all about it! -- Newsletters
- Where are all the Properties? -- Web, GIS and more!

*Log on!*

### *Extra, Extra, Read All About It!*

A Successful Brownfields Project Needs The Most Current Information About:

- Changing laws
- Grant info (forms, deadlines)
- Latest guidance
- Other's successes
- New publications
- Important conferences, meetings

## Communication Tools

- *Re News*
- Listserv
- DNR Web Site
- Information Line

---

---

---

---

---

---

---

## RE-NEWS

- Quarterly publication
- Audience: consultants, local government officials, developers, others
- More than 2,500 subscribers
- Sign Me Up!
  - Call Andrew Savagian (608-261-6422) or email [savaga@dnr.state.wi.us](mailto:savaga@dnr.state.wi.us)

---

---

---

---

---

---

---

## Listserv

- Bi-monthly electronic newsletter
- Audience: consultants, local government officials, developers, others
- More than 250 subscribers on-line
- Sign Me Up!
  - send email to: [majordomo@badger.state.wi.us](mailto:majordomo@badger.state.wi.us)
  - type “SUBSCRIBE RR” in the body of email message; don’t put anything in the subject line

---

---

---

---

---

---

---

### Information Line

- The old fashioned way: telephone!
- What you'll find:
  - What's New?
  - Web site info
  - Order Publications
- 800-367-6076 (in-state long distance)
- 608-264-6020 (Madison-area and out-of-state long distance)

---

---

---

---

---

---

---

### Wisconsin DNR Web Site

- General Info
- BRRTs
- Groundwater Use Registry

---

---

---

---

---

---

---

### Wisconsin DNR Web Site

**What is BRRTS?**

- Bureau for Remediation and Redevelopment Tracking System

***COMING SOON!***

- Will be universally accessible on web
- Good for finding information on a single site or range of sites
- Updated daily
- Printable & downloadable

---

---

---

---

---

---

---

**What is on BRRTS ?**

- All sites with known hazardous substance discharges
  - Leaking Underground Storage Tanks (LUST)
  - Spills
  - Environmental Repair Program (ERP)
- Open and closed sites
- Location, status, and involved parties

---

---

---

---

---

---

---

---

---

---

---

---

---

[illegible]

---

---

---

---

---

---

[illegible]

---

---

---

---

---

---

### A word of caution.....

- If a property is not on BRRTS, that doesn't mean that it is "clean"
- If the DNR does not know about the site, it will not be on BRRTS
- There may be minor errors or missing information
- **FOR COMPLETE INFORMATION, TALK TO REGIONAL DNR STAFF**

---

---

---

---

---

---

---

### Future Plans for BRRTS

- Currently in test mode
- Expected to be live on web for Summer 2000
- Access through main RR web page:
  - [www.dnr.state.wi.us/org/aw/rr/](http://www.dnr.state.wi.us/org/aw/rr/)
- Geolocation information will be available

---

---

---

---

---

---

---

### DNR's Groundwater Use Registry on the Web

**COMING SOON!**

- Sites closed with groundwater enforcement standard exceedances
- Graphic presentation
- Easy add/remove sites
- Ideal for bankers, buyers, well drillers

---

---

---

---

---

---

---

## Site Closure When Groundwater Exceeds State Standards

- Site meets Natural Attenuation criteria - stable or receding plume
- Currently groundwater use restriction on property by deed affidavit
- Registry is possible alternative to deed restriction

---

---

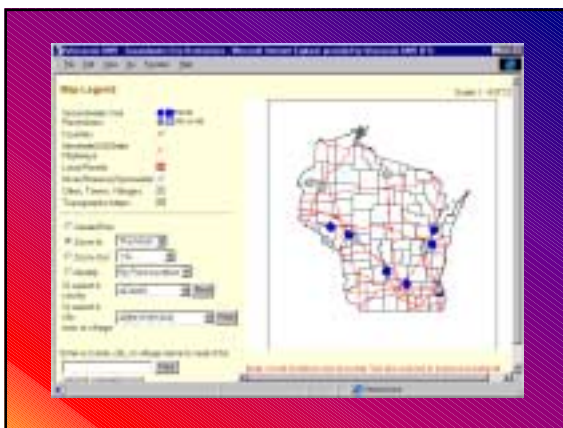

---

---

---

---

---

---

---

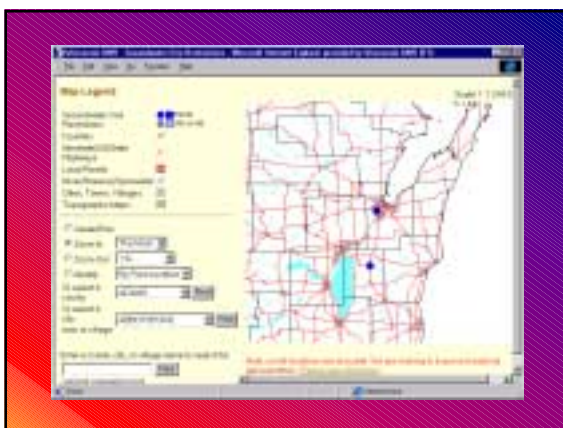

---

---

---

---

---

---

---

---

---

---

---

---

## **Brownfields Location Information System (BLIS)**

Department of Commerce

---

---

---

---

---

---

---

## **Brownfields Location Information System (BLIS)**

- Web based Geographic Information System (GIS)
- Administered by Dept. of Commerce
- Information on known brownfields sites
- Help to market properties
- Find available sites that meet your needs
- [www.commerce.state.wi.us/CD/CD-bfi-blis.html](http://www.commerce.state.wi.us/CD/CD-bfi-blis.html)
- Contact Brendan Sylvander at (608) 266-1244 or [bsylvander@commerce.state.wi.us](mailto:bsylvander@commerce.state.wi.us)

---

---

---

---

---

---

---

## **EPA Information and Resources**

---

---

---

---

---

---

---

## EPA Maps and Information

- EPA maintains many lists of regulated sites
- Some of these properties may be brownfields
- Enviromapper- [map5.epa.gov/enviromapper/](http://map5.epa.gov/enviromapper/)
- GIS with information on hazardous waste sites, Superfund sites, AND eligibility for federal brownfields tax incentive
- CERCLIS Info-  
[www.epa.gov/superfund/sites/query/basic.htm](http://www.epa.gov/superfund/sites/query/basic.htm)

---

---

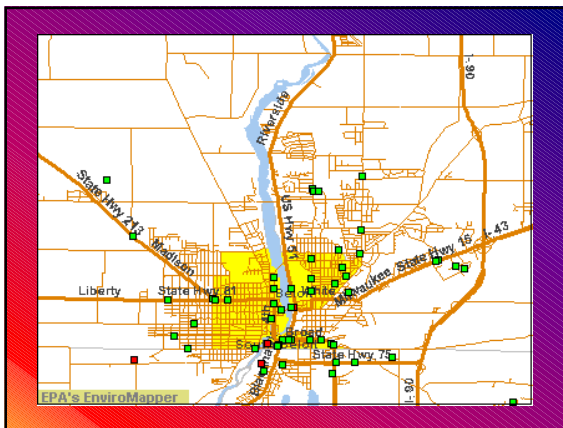

---

---

---

---

---

---

---

---

---

---

---

---

## Information Tools to Facilitate Site Cleanup

- Information technology will help parties to conduct site assessments and bring sites to closure
- GIS Groundwater Use Registry
- future: electronic file submittals and transfers

---

---

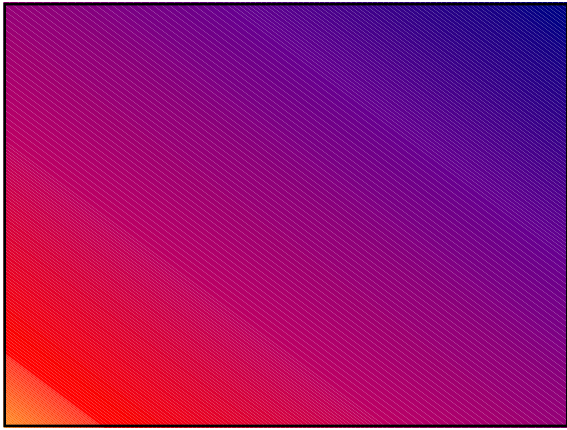

---

---

---

---

---

---

---

---

---

---

---
